

Thursday 27th March 2008, 7pm start

Treasure Hunt in King Street, Bristol

TPS South West Branch Event starting at
Renato's (next to Old Vic Theatre), King Street, Bristol

The event will involve a self-completion quiz and gentle treasure hunt through four pubs in the King Street area of Bristol City Centre. Teams are invited from any transport-related organisation in the region and individuals are very much invited to come along to form mixed team(s). Maximum team size of six is preferred.

The event is an opportunity for some friendly inter-company rivalry - a team from Colin Buchanan were the winners last year. It's also a chance for you and your colleagues to meet other transport planners. The organising team will make sure they are fairly prominent so that you'll be able to pick them out from the crowd!

All transport professionals and students in the region are warmly invited.

Entry: £1 per person (all proceeds go towards prize!)

Please get in touch if you are entering an organisation or wish to join a mixed team by emailing James Purkiss at purkissj@halcrow.com
