

Young Professionals Networking Drinks and 2015 Bursary Launch

6.00 – 8.00pm, Thursday 21st May 2015

Venue: TBC, in Nottingham

Are you a young professional working in transport or a related discipline?

Are you graduating soon and hoping to start a career in transport?

Would you like to find out more about how you can participate in our 2015 Bursary Scheme and earn £500?

If your answer is yes to any of the questions above, this event is for you! TPS understand that in the early stages of your career it can be daunting without a wide network of fellow professionals and support. One of the aims of the TPS is to support the development of younger professionals, which is why we have arranged the opportunity for our young professionals to get together at an informal drinks event and meet fellow professionals. We will also be launching the 2015 TPS Bursary so you can find out more about how you can get involved and undertake some unique research on behalf of TPS.

It will be an informal evening and will provide a relaxed platform to meet lots of new people and create your own network of transport professionals. You might be looking to share ideas, find out more about transport, or simply want to meet and chat with other like minded individuals.

The first drink for attendees will be free. If you are interested in coming along, please register your interest with your local TPS rep using the following contact details:

Name: Callum Hale

Email: callum.hale@leics.gov.uk

Members and non-members are welcome. However, if you'd like to join TPS you can apply online at www.tps.org.uk or there will be an opportunity to sign up on the night.
