

Thursday 2nd December 2010
Arrival at 17:30 for prompt start at 18:00

West Midlands TPS & CIHT Christmas Social 2010!!!

Event Location:
43 Temple Row, Birmingham B2 5LS

Come along to our 2010 Christmas Social to celebrate a successful year of the West Midlands branches of the Transport Planning Society (TPS) and Chartered Institution of Highways & Transportation (CIHT).

Both societies have joined forces to bring you an evening full of Christmas cheer. The evening will begin with a presentation from Keith Mitchell, Chairman of Peter Brett Associates LLP, on Birmingham's Vision for Movement, with the opportunity to further discuss this topic after the presentation.

Buffet and drinks to join in with the festive cheer with your peers!

Following the presentation there will be a buffet with drinks to get the festive fun and merriness underway! This will be a fantastic opportunity to socialise and network with your peers from across the transportation profession.

The Christmas event has been organised to show the societies appreciation to the members who have supported both the TPS and CIHT, making it possible to hold some great events this year. We hope you can join us with the celebrations on the night and mark the end of another successful year!

Free for entry for members!

This event is open to both TPS and CIHT members and non-members with free entry for members (with membership card).

This event is free for TPS and CIHT members and £5 for non-members.
Please register your attendance via email in advance as spaces are strictly limited and priority will be given to members.

Please register your interest by return of email for this event to
