

**Thursday 6th June 2013**  
**12.30pm – 2.00pm**

## **TPP and Professional Development Workshop**

**Martin Richards TPP (TPS Skills Director)**

**at: Arup, 78 East Street, Rose Wharf, Leeds, LS9 8EE.**

The Workshop is intended to help those who are planning to apply for the Transport Planning Professional – TPP – qualification to understand the procedures and requirements for TPP candidates, as well as those participating in the TPS Professional Development Scheme. It will cover routes to the TPP (including the Portfolio of Technical Knowledge and the TPP Professional Development Scheme), the Portfolio of Evidence competency requirements (including the possible choices), preparing the Portfolio of Evidence, preparing for the Professional Review interview and the interview itself, as well as the benefits of being a TPP.

It will assume that those participating have basic understanding of the TPP qualification including the various routes open to candidates and principles of the competence requirements.

A good part of the Workshop will be devoted to Questions and Answers enabling those with specific questions to put them to Martin.
