

## **LSTF – a review of projects in the North West**

In July 2011, the Department for Transport announced the successful bids from the first round of applications to the Local Sustainable Transport Fund - four of the North West bids were successful and four more bids were given approval through Tranche 2 in May 2012.

This event will provide an opportunity to learn more about three of the successful bids from the first round, including a review of progress made in delivering the projects over the last 12 months. A question and answer session will follow the presentations.

### **Projects/speakers:**

- **Facilitating Sustainable Access to Employment in Merseyside** – Barbara Wade, Implementation and Funding Team Leader (Merseytravel) and Chris Hardwick, LSTF Business Manager (Mott MacDonald)
- **Go Lakes Travel: Changing how visitors travel to and around the Lake District** – Claire Maclaine, Programme Manager and Alistair Kirkbride, Sustainable Transport Advisor (Lake District National Park Authority)
- **Greater Manchester Commuter Cycle Project** – Nick Vaughan, Head of Transport Planning and Solutions (Transport for Greater Manchester)
