Royal HaskoningDHV (RHDHV) has been running a number of Cycling Conferences this year with the Dutch Embassy and will be facilitating a workshop style event providing you with the opportunity to participate in a lively discussion on the issues associated with cycling within the West Midlands. The workshop will be led by RHDHV Director **Richard Thomas** and his Dutch colleague **Wim van der Wijk**, a cycling and road safety expert who will also provide an overview of the key points discussed at the conferences (www.royalhaskoning.co.uk/godutch).

This Christmas event has been organised to show the society's appreciation to the individual, corporate and stakeholder members who have continually supported TPS making it possible to hold some great events. Entry to the event is free for TPS members.
