

Exhibition Road Walking Tour

Date: Tuesday 18th September 2012

Time: 3pm to 5pm

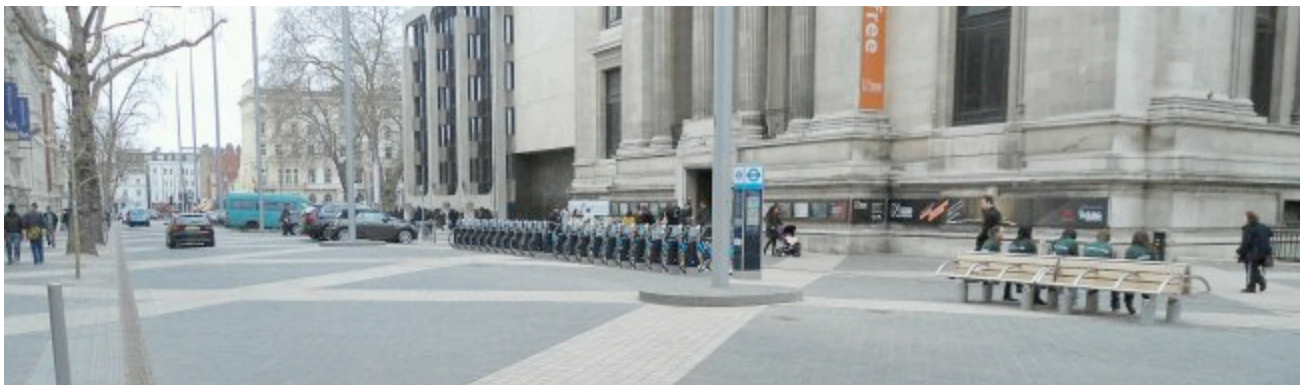

Location: South Kensington Tube Station

Exhibition Road is a tourist hot-spot, providing access to the Science Museum, South Kensington tube station, Imperial College and Hyde Park. It is also located close to the Natural History Museum, Royal Albert Hall and the Victoria and Albert Museum.

In 2011 the street was transformed and re-designed to create a place which can operate as a destination itself, whilst still maintaining an important movement function for buses, taxis, cars, cyclists and pedestrians. Key features of the scheme include a level surface, geometric surface pattern, limited street furniture and signage and pedestrian areas or 'comfort zones'.

TPS have arranged for the Royal Borough of Kensington and Chelsea to provide a walking tour around the scheme to discuss the design, construction and operation of the scheme promoting lively discussion between attendees.

Places are limited, so to avoid disappointment book now for your place on the walking tour.

TPS Members free with membership card. Non-members £10, payable on the evening. Priority will be given to TPS members. Please register early by emailing Sara Andrews sandrews@peterbrett.com with your name, organisation, telephone number and, if you are a TPS member, your TPS membership number.
