

## 6pm, Thursday 2<sup>nd</sup> May 2013

Godfrey Mitchell Theatre, Institution of Civil Engineers, One Great George Street, London, SW1

On 21<sup>st</sup> January 2013 thirty two UK transport Professors, working with the Transport Planning Society, published an open letter to the Secretary of State for Transport, Right Hon Patrick McLoughlin MP, raising a number of concerns about the current state of transport policy and investment in the UK.

This letter sparked discussions in the press and TPS would now like to begin a series of events to discuss the Open Letter with TPS members and other transport professionals.

In this first event in London, Professor Phil Goodwin, Professor of Transport Policy at UWE, and Keith Buchan from the TPS will be reviewing the content of the Open Letter. A representative from the Department for Transport has been invited to contribute.

Please come along and join the discussion.
