

Transport Planning Society Annual Lecture

3rd March 2016, 19:00 following the AGM

Refreshments will be served in the Brasserie from 18:30

Godfrey Mitchell Theatre, ICE, One Great George Street, Westminster, SW1P 3AA

You are invited to join us for the 2016 Transport Planning Society Annual Lecture following our AGM.

This year's speaker is Michael Hurwitz, Director for Energy, Technology & International at the Department for Transport.

He is responsible for putting the UK's transport energy onto a sustainable footing, promoting innovative new technology on the roads, and pursuing the associated economic opportunities for the UK. His work also covers "mobility as a service".

At the Annual Lecture Michael will talk about **Hype and the changing face of technology in transport – a discussion on energy, connectivity, autonomy, and the sharing economy.**

To book your place at this event please visit

<https://www.ice.org.uk/events/transport-planning-society-annual-lecture>

If you do not currently have access to a MyICE account please register and this will allow you to book yourself on all future TPS events. Please note if you are a Corporate/Stakeholder member of TPS you will need to register as a non-member rather than a member as the membership number relates to ICE not TPS. If you require advice or are unable to book yourself on this event please contact Pauline Arundel on pauline.arundel@ice.org.uk or 020 7665 2236.

A £10 fee applies to non-members which can be paid online in advance of the event.
