Louise Ellman MP Question and Answer Session

North West Region Event at:
No 1 Mann Island (Merseytravel), Pier Head, Liverpool

This is an opportunity for Transport Planners to discuss and debate the current and future issues relating to transport and Transport Planning with Louise Ellman, MP and chair of the Transport Select Committee.

It is four years since Louise held the first TPS Q&A in Liverpool and much has changed within that short time, such as:

- Electrification in the North;
- HS2/3;
- LSTF; and
- Highways Agency conversion to a Government-owned company

Louise Ellman is the MP of Liverpool Riverside and has been chair of the independent Transport Select Committee since 2008.

The Committee's role is to examine the expenditure, administration and policy of the Department of Transport and its associated public bodies. This event will be an opportunity to ask questions and get insight into how Parliament and Government influence transport in the UK.

We look forward to seeing you there – members and non-members welcome

This event is free to attend. Lunch will be provided
